It looks like none of the PolReps for the Slauson Tanker Fire (FPN E19902) were sent to you. I am attaching them here, as the Final PolRep#4 went out in December 2019. Please send Cost Certification docs when you can, and I will make sure that you are not left off the PolRep distribution in the future.

Much appreciated.

Good morning Ben,

I have been trying to get the costs for this case for some time and now CFC is telling me they are waiting on you to provide them with a POLREP and to certify the costs.

Can you help them out so they can get the costs to me?

Appreciate the help.

Kind regards...and stay safe,

Rich
